

A woman with long dark hair, wearing a white button-down shirt, is holding a baby in her arms. The baby is wearing a blue onesie with a cartoon character and a white identification band on its wrist. They are standing in front of a large window that looks out onto a city street. On the windowsill, there is a potted plant on the left and a vase with yellow lilies on the right. The text "SPECIALIZED CARE" is overlaid in a white box on the right side of the image.

SPECIALIZED CARE

PEDIATRIC AND NEONATAL TRANSFER

INFANTUS is created in a way to meet an increasing demand of pediatric and neonatal patients specialized transferring.

A service of vehicles adapted for pediatric intensive care created to meet the growing demand for specialty transfers at a local, inter-city and inter-provincial level, where caring for the needs of children in a critical condition is essential.

Based on the city of Córdoba and with highly qualified medical doctors, state-of-the-art technological devices and direct supervision from professionals of the Hospital Privado who are specialized in pediatric intensive care, we offer a high-level assistance, expanding the pediatric intensive care unit outside the inter-facilities transportation, providing early and long term specialized assistance as fast as possible.

The effectiveness, speed and, most of all, warmth in the treatment towards young patients and their family members are the cornerstone of this service which grows every day.
